

## ***Our Halifax, Our Food: From Charter to Strategy***

*The Halifax Food Policy Alliance invites you to participate*

### **What is a food charter and what can it do for the Halifax Region?**

A **food charter** is a common vision and the guiding principles for a community's food programs and policies. Food charters serve as a call to action for local governments and community organizations to create healthy and sustainable food systems.

### **What to expect at this event**

You will have the opportunity to learn from guest speakers about the benefits of a food charter and the positive impact in other communities. You will also have a voice in developing actions to bring a Food Charter for the Halifax Region to life.
